SUMMARY

PGDM graduate in Marketing & Strategy (IMT Nagpur, 2026) with a commerce degree and a working analytics stack. Pairs consumer and go-to-market strategy with SQL, Tableau, Power BI and Python. Built a medallion data warehouse and interactive dashboards; personally ran 200+ user interviews for a product-strategy concept; completed three internships across EdTech and real estate; now a Polycab India trainee on the Territory Sales Manager track.

EDUCATION

PGDM (Marketing & Strategy) | IMT Nagpur 2024–2026 | 75.4% (CGPA 6.93/10)

B.Com | S.S. Jain Subodh College, Jaipur 2018–2021 | 65%

EXPERIENCE

Polycab India Ltd — Trainee, Territory Sales Manager track Delhi | Jun 2026–present

- Converted **15+ new outlets** across East Delhi, North Delhi and Bhagirath Palace that had never stocked Polycab lighting; personal sales grew **about 20% month on month**.
- Built an HTML pricing and scheme tool to calculate and negotiate deals during the meeting (**est. 35% faster**); proposed a retailer WhatsApp recognition plan (not yet run).

Hanbai Consultancy LLP — CEO's Office Intern Mumbai | Apr–Jun 2025

- Ran user interviews, focus groups and a survey for **IIMX**, an AI management-education app; specified **three learner personas** (B2B, B2B2C, B2C) and a repeatable AI-prompt framework behind **900+ management modules and worksheets**.
- Designed an AIDA launch funnel with a 50%-locked lead magnet; in focus-group validation, **20–25% of targeted leads** converted, with 5–10% weekly engagement growth in trial, compounding to ~40% over the trial period.
- Initiated a go-to-market strategy as a competitive contingency (benchmarked against Coursera); presented it to a **5–7 member board review**, which endorsed it to proceed if the product launched.

To-Let Globe — Business Strategy Intern, Team Lead Remote | Mar–May 2025

- Led a 3-member team to design a cross-channel growth strategy with targeting logic: brand reach rose **105%** and qualified leads **60%**, tracked on performance dashboards I built.
- Identified **12 growth opportunities** adopted by leadership through market research and dashboard analysis.

To-Let Globe — Brand Strategy Intern Remote | Jan–Mar 2025

- Analysed customer feedback, redesigned the brand framework and implemented KPI tracking across channels.

PROJECTS

SQL Data Warehouse — Medallion Architecture (self-directed) SQL Server

- Designed Bronze/Silver/Gold layers: automated CSV ingestion, window-function de-duplication and star-schema views; report preparation fell from weeks to minutes, with a data catalogue documenting lineage.

HR Analytics Dashboard (self-directed) Tableau Public

- Built a 15-chart, two-view dashboard from requirements to publication using LOD expressions and calculated fields.

Zepto — independent enterprise GTM playbook (case study, not client work) Dec 2025

- Built a five-stream monetisation map, unit-economics levers and a Q1–Q4 roadmap; modelled targets include CAC payback of 45 days or less and Private Label mix rising from ~8% to 15% (projections).

SKILLS

Analytics & BI: SQL (CTEs, window functions, stored procedures, views), Tableau (LOD, parameters), Power BI (Power Query, DAX, row-level security), Python (Pandas, Seaborn, Matplotlib), Excel, PowerPoint.
Methods: data cleaning and profiling, customer segmentation, correlation analysis, funnel analysis, financial and ROI modelling, TAM/SAM/SOM, GTM design.
